Regional Transportation Coordinating Council

EastCentralTransit.com

WHO WE ARE

The East Central Regional Transportation Coordinating Council (ECRTCC) is an initiative of the East Central Regional Development Commission (ECRDC) serving the counties of Chisago, Isanti, Kanabec, Mille Lacs and Pine through a grant from Minnesota Department of Transportation.

ECRTCC has established a vested group of stakeholders working to serve our region's transportation needs.

ECRTCC, transportation providers, service agents, and the private sector are working together to fill gaps, streamline services, and provide further options for those traveling.

INDEX 13-14

TYPES OF SERVICE IN OUR REGION

Public Providers

Public providers include the transportation systems that operate and serve the general public. They are ADA accessible and do not have limitations on who can use them. They often have fixed or deviated routes.

Private Providers

Private providers operate with the personal or individual use of transportation vehicles which are not available for use by the general public, where essentially the user can decide freely on the time and route of transit.

Other: Electric Car Charging/Park & Ride

An electric vehicle charging station, also known as electronic charging station (ECS), supplies electric energy for the recharging of plug-in electric vehicles—including electric cars and plug-in hybrids.

Park & Rides are parking lots used as connection points for commuters to leave one vehicle and connect with another to finish their journey.

THE BIG PICTURE

How do I get where I need to go?

In a region as rural as East Central Minnesota, transportation needs are often fulfilled by one lone provider, but can include a combination of several. Either way, ECTRCC strives to give you the resources necessary to find your way.

A CONVENIENT SOURCE OF TRANSIT INFORMATION FOR CENTRAL MINNESOTA

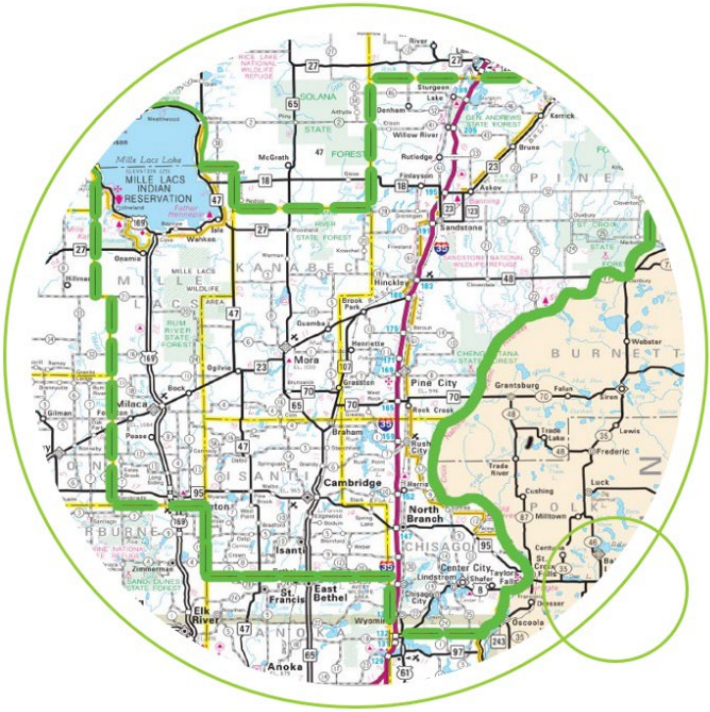
Inevitable change

Providers come and go, routes change, schedules shift, rates adjust. Should you find something to be inaccurate in this document, please bring it to our attention so we can make the necessary changes. If you have any suggestions that would make this document more useful, they are more than welcome.

MISSION

What is the goal?

ECRTCC's goal is to coordinate transportation services to ensure transit throughout the region is convenient, affordable, and will benefit those residents facing transportation barriers in East Central Minnesota.



TRANSIT PROVIDERS

- **Allegiance Transportation:** (651) 207-5211, 9550 Whistling Valley Trail, Lake Elmo, MN 55042, fax (651) 294-3083, http://www.allegiancetransportation.com/ Vans for paratransit and wheelchair clients.
