“Share Enterprise”?

Process:

1. Conveyed idea to Micah (Commute with Enterprise contact)
2. Micah will confer with her boss (Brooke) to see if they could make idea work within their perimeters
3. Discuss with region's senior facilities and faith-based organizations (see notes from Micah, Michelle, Karen conversation)
4. If there is interest, bring these folks together with Enterprise for more detailed information...
5. Who will write the grant? Who will be the manager of funds? Who will do the scheduling? Who will write up the year-long binding contracts?
